Water Rents Due.

Water rents now due and are subject to a discount of 10 per cent if paid before January 1. Not taking advantage of this discount is equivalent to borrowing money at the rate of 40 per cent per annum. Can you afford this?

Park Officers Chosen.

The directors of the Wheeling Park Association met last night to elect officers for the ensuing year. The following were chosen: President, A. Roymann; secretary, Conrad Hirsch; manager, Capt. August Rolf; assistant manager, Ernst Krieger; florist, Max L. Hess.

In the Circuit Court.

The case of John Jordan et al. by next friend vs. John J. Kain et al., an issue out of chancery to test the validity of the Murphy will, was put on trial to a jury in the circuit court yesterday. In the case of Joseph Elsworth vs. the Wheeling Railway Co. the plaintiff's evidence was excluded from the jury and a verdict given for the defendant.

Engineer Injured.

Fred Boughner, the engineer at the Wheeling Ice and Cold Storage plant on the South Side, met with a serious accident yesterday morning. He was standing by the engine belt when someone started the machinery, and he was thrown headlong into it. It is a wonder that he was not killed. As soon as possible the engine was stopped. It was found that Boughner's left leg was badly crushed, otherwise his injuries are not serious. He was taken to his home in the North End, and was attended by Dr. Garrison.

A Masque Fair and Festival.

A meeting of the executive committee for the purpose of holding a fair and festival in the new Masonic Temple from January 23 to 27, inclusive, by the Masonic bodies of this city, was held at the lodge rooms last evening. A full attendance was present and the various sub-committees were appointed, with instructions to select their lady assistants and arrange the preliminaries, as the Masonic brethren intend to make this a leading feature in the opening of their new temple, and the time being short for so large an amount of work, the committees were instructed to get to work without delay.
